

HELPING THE FEDERAL FINANCES (FIN SHOP) TO EXECUTE A NEW E-COMMERCE STRATEGY.

Issues and challenges

- Fin Shop wanted an online selling platform for their goods, in addition of in-store's public sales. The goods will be sold via online bids and online sales.

Solution

- e-Commerce Website : UX-UI Design / Drupal commerce / MySQL / payment Worldline / payment PayPal

Results and Benefits

- Implemented a new e-com. strategy at the federal finances
- Execution and implementation of the FinShop to make online sales via an e-shop and online bids based on the "client account".
- Provide all the information related to the public sales and in-store selling,
